

FCM Delegated Correspondent Lending has made the following update to the FEMA Declared Disaster Counties as of August 22, 2016:

In conjunction with FEMA's disaster declarations for Louisiana, the affected parishes have been added to the [FEMA Disaster Counties](#) document and will be subject to disaster re-inspection requirements. An incident end date has not yet been determined. Loans will be subject to a disaster inspection dated after the end date. Until an end date is determined, FCM will continue to purchase loans and follow-up with sellers for inspection as required.
