WHOLESALE PRODUCT & PRICING BULLETIN 2017-07 DISASTER UPDATE

Hurricane IRMA Re-inspection requirements:

The impact that Hurricane IRMA has had on counties in the state of Florida is still being assessed by FEMA crews. Until FEMA has issued a more complete list of impacted areas, FCM will require a re-inspection in all counties with the following exceptions:

Bay
Calhoun
Escambia
Franklin
Gadsden
Gulf
Holmes
Jackson
Liberty
Okaloosa
Santa Rosa
Walton
Washington

All other counties in Florida will require an appraisal (2075) re-inspection if the appraisal is dated prior to September 8, 2017.

FCM will continue to monitor FEMA designated areas and will update the requirements as impact is better known.
